1.Setting up logo for Admin Panel

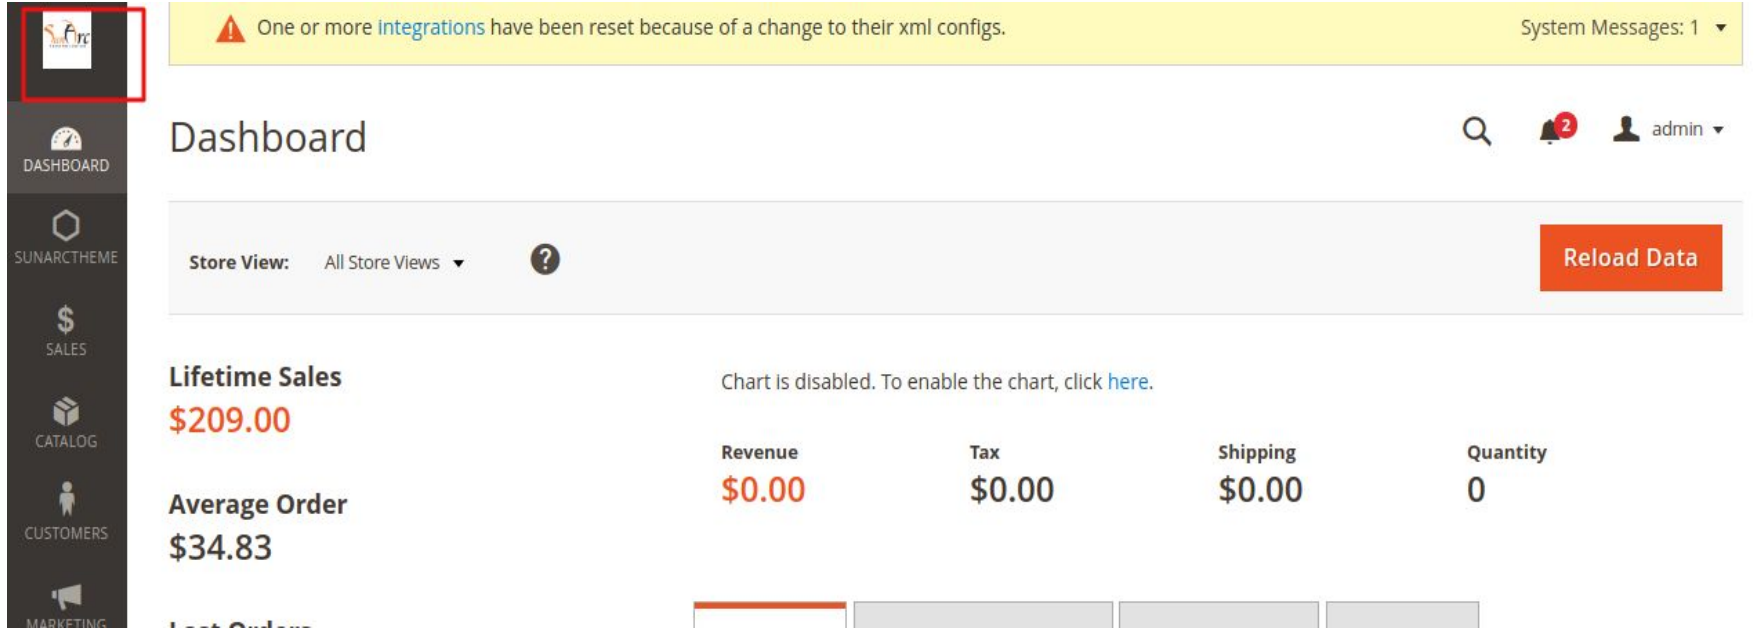

SKINS [store view] Blue

Background Login Page [store view]  No file chosen
 Delete Image
Allowed file types: jpeg, gif, png.

Footer Text [store view] Custom Copyright Text

Admin Panel Logo [store view]  No file chosen
 Delete Image
Allowed file types: jpeg, png.

2.How logo will appear inside the admin panel

The screenshot displays the SunArc admin dashboard. A red box highlights the SunArc logo in the top-left corner of the sidebar. A yellow banner at the top contains a warning message: "One or more integrations have been reset because of a change to their xml configs." The dashboard title is "Dashboard", and the user is logged in as "admin". The "Store View" is set to "All Store Views". A "Reload Data" button is visible. The main content area shows "Lifetime Sales" at \$209.00 and "Average Order" at \$34.83. A table below shows zero revenue, tax, shipping, and quantity. A message states "Chart is disabled. To enable the chart, click here." The sidebar menu includes Dashboard, SunArc Theme, Sales, Catalog, Customers, and Marketing.

System Messages: 1

Dashboard

Store View: All Store Views ? Reload Data

Lifetime Sales
\$209.00

Chart is disabled. To enable the chart, click [here](#).

Revenue	Tax	Shipping	Quantity
\$0.00	\$0.00	\$0.00	0

Average Order
\$34.83

Next Order

4. Setting up background image for login page

Save Config

General Settings

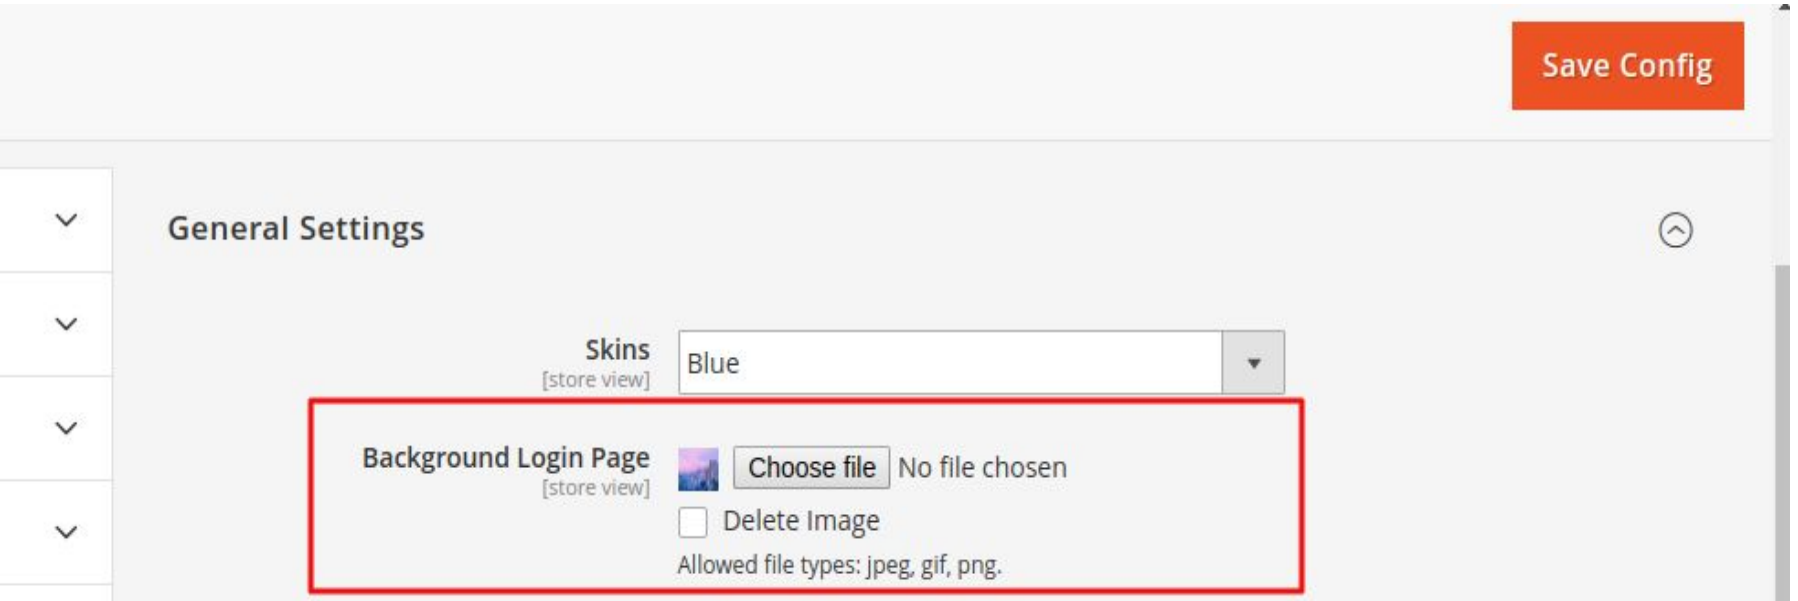

Skins [store view] Blue

Background Login Page [store view]

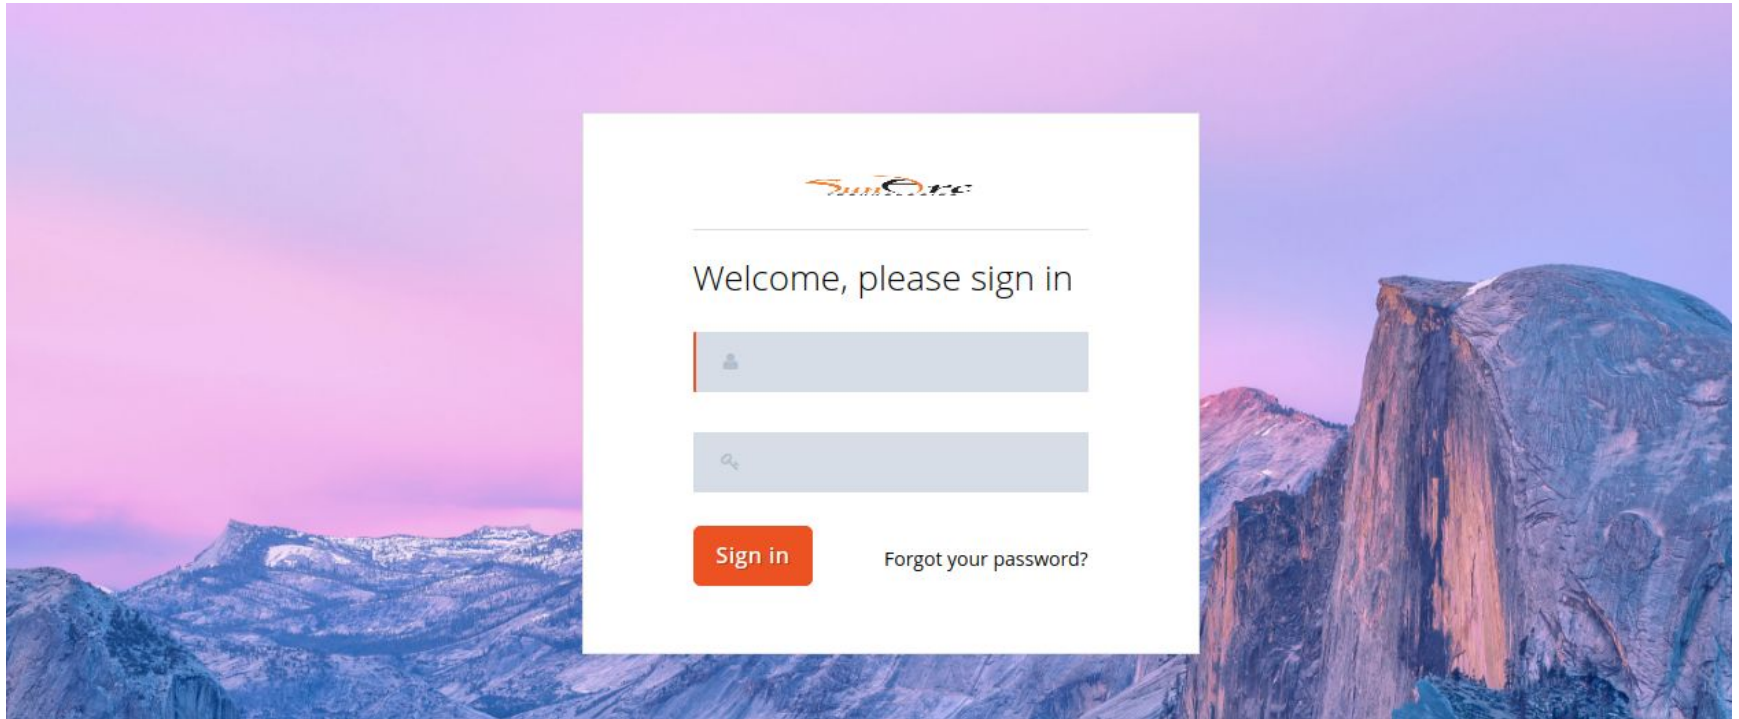

No file chosen

Delete Image

Allowed file types: jpeg, gif, png.

The image shows a screenshot of the Magento Admin configuration interface. At the top right, there is an orange 'Save Config' button. Below it, the 'General Settings' section is expanded. Under 'Skins', a dropdown menu is set to 'Blue'. The 'Background Login Page' section is highlighted with a red box. It contains a 'Choose file' button, a 'Delete Image' checkbox, and a note about allowed file types: 'Allowed file types: jpeg, gif, png.'

5. How the background will appear

6.Changing the skin color

The screenshot displays the SunArc Configuration interface. At the top, a yellow banner contains a warning message: "One or more Integrations have been reset because of a change to their xml configs." and "System Messages: 1". The main header is blue with the title "Configuration", a search icon, a notification bell with "2" messages, and a user profile for "admin".

On the left sidebar, navigation icons are visible for DASHBOARD, SUNARCTHEME, SALES, CATALOG, and CUSTOMERS. The "SUNARCTHEME" section is active, showing "Store View: Default Config" and a "Save Config" button.

A yellow success message states: "You saved the configuration." Below this, the "General Settings" section is expanded. A red box highlights the "Skins" dropdown menu, which is currently set to "Blue". The label "[store view]" is visible below the dropdown.

7. Customized Footer

The screenshot displays the SunArc admin panel interface. On the left, a sidebar menu includes icons and labels for CATALOG, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES (highlighted), and SYSTEM. Below the STORES icon is a 'FIND CUSTOMERS' button. The main content area shows a list of stores: SALES, SUNARC, All, Backend (selected), SERVICES, and ADVANCED. The 'Backend' store is highlighted with a red vertical bar. To the right, the configuration options for the selected store are shown. The 'Footer Text' field, labeled '[store view]', is highlighted with a red box and contains the text 'Custom Copyright Text'. Above this field, it says 'Allowed file types: jpeg, gif, png.'. Below the 'Footer Text' field, there is an 'Admin Panel Logo' field, also labeled '[store view]', with a 'Choose file' button and the text 'No file chosen'. Below the logo field, there is a checkbox for 'Delete Image' and the text 'Allowed file types: jpeg, png.'. At the bottom of the page, a red horizontal line is positioned above the text 'Custom Copyright Text'.

Thank you!
